If anyone but your friend has read this

Phyllis,

I hope we'll always be as good friends as we all now. We've had a blast and a half!

I also hope that you and Jim have all the best of everything. If you all get hitched be sure and tell me. (If that's what you want, and it's not too late already!)

Ha! Ha!

Be good now & don't do anything I wouldn't.

Carolyn
Mathews

I know that if I live to be 95 I'll never be happier than I am right now. I love Bill, just as you love Jim. Someday we'll show them all. Above all never doubt us wonder about Jim's love, just as I'll try never to doubt Mac's. I know now that I could never find happiness with anyone but Mac. I'll never tell anyone what I'm telling you now, so try not to let anyone see this. If anything should happen to Mac, just as I know you would feel about Jim, I'd lose my reason for living.

I forgot to say I could trust you! Remember that I always be near should ever that you a friend.

To a real sweet and cute girl. Stay as sweet as you are now and you'll go far in life.

Love ya,

The 1959 Hurricane

Presented by The Senior Class

Sylva High School
Sylva, N. C.

Foreword

"Tomorrow's strength is but thoughts of yesterday"...

A yesterday at Sylva High...remembering all the little things that counted...being late for nine-thirty classes...getting up the Junior-Senior Prom... term papers..(the thrill of a kick-off and the excitement after the Swain-Sylva football game)..unending registration lines...cutting classes to make homecoming floats.

Today as we face tomorrow we are inspired through our memories at Sylva High.

Dedication

In appreciation to our principal, who came to Sylva High School four years ago when we were entering as Freshmen; for his ability to plan and organize; for his untiring efforts toward improving the whole school; the instructional program, the buildings and grounds, and the morale of the student body.

We the members of the Senior Class dedicate the 1959 edition of THE HURRICANE to

W. Carr Hooper.

Dear Phyllis,

I hope you will always be as sweet as you are now. I know I will remember all the good times we have had as freshmen and I hope you will ~~remember~~ remember them too.

Thanks for helping me to be Halloween Queen, I will remember it always.

(Jimmy, knowing that you love me
is what keeps me going from
day to day. I hope you feel the
same way. I also think you do
Jimmy. "I Love you!!" yours.)

Phyllis,

Best of luck in three more years of school
I know that you will make it through
with the best of grades. Phyllis take advantage
of these years for they are the best years
of your life. I hope that I have made
1 year of your life a happy one. Remember
the good times we've had in the past
And be prepared to have twice as much
in the future. When you get in the
new school, show them that you are
Paying for it your own self. The only
person that can smile and mean it
is the one who has the world in a love
corner; giving it what you want, it's love
not what it gives you. Keep Remembering
when things are rough that I love you
It will help you any. the few and
small quarrels we've had were all my
fault, so please forgive me for them.
Keep Remembering, "I love you!"

Loving you always,

Jim
